

George Strait, That's The Breaks

Well that's just great
Just what I needed
The icing on that cake
You're leavin'
But I give up
Throw up my hands
There's nothing I can say or do
I've done all that I can

That's the breaks
The way the cookie crumbles
What goes around comes around they say
That's the breaks
The way that ol' cookie crumbles
And what's been comin' round
Ain't been goin' my way

Well surprise me
Tell me something new
I know leavin's what I got
Comin' from you
And I'm sorry
You know I am
But one way or another I'll come through
In one piece once again

That's the breaks
The way the cookie crumbles
What goes around comes around they say
That's the breaks
The way that ol' cookie crumbles
And what's been comin' round
Ain't been goin' my way

That's the breaks
The way the cookie crumbles
What goes around comes around they say
That's the breaks
The way that ol' cookie crumbles
And what's been comin' round
Ain't been goin' my way

What's been coming 'round
Ain't been going my way
That's the breaks
