

# George Strait, Today My World Slipped Away

We made it final today.

I gave you all I had, you made your getaway.

All the love we once made turned to memories today.

I left the courtroom and went straight to the church.

I hit my knees and told God how much I hurt.

Nothin' left of my heart;

It's gonna be so hard to make a new start.

[Chorus:]

'Cause today my world slipped away.

We buried the plans that we made.

And tonight I'm alone and afraid.

'Cause today my world slipped away.

All my friends say I'll make it alright.

I'll recover and start a new life.

But that'll be so hard to do

'Cause livin' ain't worth livin' without you.

[Chorus]
