

# George Strait, We Must Be Loving Right

Some folks got nothing but trouble  
So little joy in their lives  
But wherever we go happiness follows  
We must be lovin' right

It might be the way I adore you  
Or the way that you hold me tight  
I don't know the reasons girl I'm believing  
We must be lovin' right

All our friends say love fades away with time  
But I know their wrong  
'Cause they've never known  
A love like yours and mine

So if the whole world goes crazy  
Let everyone else fuss and fight  
When all is said and done, we'll be the lucky ones  
We must be lovin' right

Some folks got nothin' but troubles  
So little joy in their lives  
But wherever we go happiness follows  
We must be lovin' right  
We must be lovin' right
