

George Strait, We're Supposed To Do That Now

We had a silly quarrel over nothin'
Both got maddened and soon turned into somethin'
But we made up like we always do 'cause you love me
And I love you
And we're supposed to do that now and then

O' we're supposed to do that now and then
We'll have our little up's and downs
But we both now how it ends
We spend the night fallin' in love all over again
We're supposed to do that now and then
Baby, we're supposed to do that now and then

Now everybody has there share of problems
But everybody don't know how to solve 'em
We grow closer everyday
'Cuase we learn from those mistakes we made
And we're supposed to do that now and then

O' we're supposed to do that now and then
We'll have our little up's and downs
But we both now how it ends
We spend the night fallin' in love all over again
We're supposed to do that now and then
Baby, we're supposed to do that now and then
