

# George Strait, What Do You Say To That

You're like the warm sunshine, I think of you all the time,  
I've fallen for you and that's a fact, what do you say to that.  
You're always in my dreams, I think you know what they mean,  
My heart knows this is real at last, what do you say to that.

[Chorus:]

Life could never be the same without you.  
Love was never really love without you.  
Here beside you is really where it's at, what do you say to that.

I promise I'll never leave, I'll always want you with me.  
Loving you won't ever be old hat, what do you say to that.

[Chorus]

You're like the warm sunshine, I think of you all the time,  
I've fallen for you and that's a fact, what do you say to that.  
My heart knows this is real at last, what do you say to that.
