

# George Strait, When It's Christmas Time In Texas

When it's Christmas time in Texas  
It's a very special time for me  
In Texas we'll go swingin' 'round the Christmas tree  
Dancin' to a Christmas melody  
When it's Christmas time in Texas  
It might look just like a summer day  
There may not be snow in San Antonio  
But it's a Texas Christmas to me

[Chorus:]  
When Santa Claus slips over the border  
It'll sound a little different when he sings  
'Cause he'll hear those twin fiddle's playin'  
Christmas songs with a touch of western swing  
There may not be snow in San Antonio  
But it's a Texas Christmas to me

When it's Christmas time in Texas  
I love to hear those Christmas carolers sing  
People on the go children's faces all aglow  
Grandpa's been chasin' grandma around  
Tryin' to catch her neath the mistletoe  
Everything is right the lone star shinin' bright  
But it's a Texas Christmas to me

Frosty the snowman knew the snow was hot that day  
So he said lets run and have some fun before I melt away  
Down to the village with a broom stick in his hand  
Runnin' here and there all around the square  
Sayin' catch me if you can

[Chorus]

And here's wishin' you all a merry Christmas  
Merry Christmas from Texas and me
