

George Strait, Why'd You Go And Break My Heart

Seems you came along at the right time
A fallin' in love is all my idea
Others warned me about the broken hearts
You left behind
Now why'd you have to go and prove 'em right
Now thanks to you
I know just how they feel

And because of you
My heart is broke in to
I'm feelin' like a fool
For puttin' my trust in you
You left me wonderin' why
You didn't even say goodbye
Well excuse me if I'm now that smart
But why'd you go and break my heart

And because of you
My heart is broke in to
I'm feelin' like a fool
For puttin' my trust in you
You left me wonderin' why
You didn't even say goodbye
Well excuse me if I'm now that smart
But why'd you go and break my heart

Well excuse me if I'm not that smart
But why'd you go and break my heart
