

George Strait, You Can't Make A Heart Love Somebody

At a table for two, with candle light and wine.
That diamond burnin' holes in his pockets, thinkin' now's the perfect time.
When he popped the question, he could see the teardrops fill her eyes.
She said I knew this was comin' and I'm sorry, but I hope you realize.

[Chorus:]

You can't make a heart love somebody.
You can tell it what to do, but it won't listen at all.
You can't make a heart love somebody.
You can lead a heart to love, but you can't make it fall.

Then she reached for his hand and said, I want you to know,
I've done everything that I know of to make the feeling grow.
I've begged and I've pleaded with my heart, but there's no gettin' through.
My heart's the only part of me that's not in love with you.

[Chorus]

You can lead a heart to love, but you can't make it fall.
