

George Thorogood And The Destroyers, Louie To

Well I'm as free as a bird now,
as flight-free as a bumble bee
I'm here and then gone tomorrow,
footloose child and fancy free
I'm absolutely independent,
and nothing at all is gonna worry me

Yeah, I've only got one cradle to rock now,
I'm gonna rock it everywhere I go
From St. Louie to San Francisco,
from Canada to Mexico
I'm gonna let my cradle rock now,
till it just won't rock no more

Well I believe I was born to ramble,
the open road is gonna bring me close
I've come to know some way out people,
to say the least they give the most
Who live and love across both borders,
trip east from west from coast to coast

Yeah I've only got one cradle to rock now,
I'm gonna rock it everywhere I go
From New York to California,
from Texas to Toronto
Yeah I'm gonna let my cradle rock now,
till it just won't rock no more
