

George Thorogood, I'm Just Your Good Thing

I, I been your good thing, baby
I just been a good thing for you
But I won't be your good thing no more

Baby I, I been your good thing darlin'
I just been a good thing for you
But you know I won't be your good thing no more

Baby I, I gave you true love
Baby I, I gave you true love darlin'
But you know I won't give you true love no more

Your friends think I'm a devil
And baby you are an innocent saint
But baby I know different
Oh darlin' I know you ain't

I, I've been your good thing baby
I just been a good thing for you darlin'
But I won't be your good thing no more
For you no more
