

# George Thorogood, Love Doctor

I'm a love doctor  
I never went to doctor school  
I'm a love doctor  
I'll fix you up as good as new  
If you need love, I'd love to operate on you

If you need good lovin'  
My love is gonna make you strong  
By your side, baby,  
That's where I belong  
I know you ache, but I can make your pain be gone

I'm a love doctor  
I never went to doctor school  
I'm a love doctor  
I'll fix you up as good as new  
If you need love, I'd love to operate on you

The doctor is in  
So just relax  
Before you have  
A heart attack!  
You been mistreated  
Done like dirt  
Let me kiss it  
Where it hurts

I'm your love doctor  
I never been to doctor school  
I'm your love doctor  
My love is gonna work on you

I'm a love doctor  
Never been to doctor school  
Yes, I'm your love doctor  
I'll fix you up as good as new  
If you need love, I'd love to operate on you

Yes, I'm your love doctor  
I'm a love doctor  
Ha, ha, I'm your love doctor  
Fix you up as good as new, ha, ha, ha!  
Yeah!

I'm your love doctor  
I'd love to operate on you
