

George Thorogood, No Place To Go

How many more times
Are you gonna treat me like you do
How many more times
Are you gonna treat me like you do
You takin' all my money
And all my love, too

How many more years
Are you gonna wreck my life
How many more years
Are you gonna wreck my life
Ah, the way you done
You gonna wreck my life
Ooo-oo
Ooo-oo
Ooo-oo

I'm going to the stairs
I gotta beg ya for my clothes
Goin' to the stairs
Gotta bring back down my clothes, baby
And where I go nobody knows
Ooo-oo
Ooo-oo
Ooo-oo

I'm old and gray
Got no place to go
You got yourself a youngster
And you can't stand it no more
Ooo-oo
Ooo-oo
Ooo-oo

How many more times
Are you gonna treat me like you do
How many more times
Are you gonna treat me like you do
Ah, the way you done
Woman you give me the blues
Ooo-oo
Ooo-oo
Ooo-oo

I'm havin' a hard time
