

# George Thorogood & The Destroyers, I'm Just Yo

I, I been your good thing, baby  
I just been a good thing for you  
But I won't be your good thing no more

Baby I, I been your good thing darlin'  
I just been a good thing for you  
But you know I won't be your good thing no more

Baby I, I gave you true love  
Baby I, I gave you true love darlin'  
But you know I won't give you true love no more

Your friends think I'm a devil  
And baby you are an innocent saint  
But baby I know different  
Oh darlin' I know you ain't

I, I've been your good thing baby  
I just been a good thing for you darlin'  
But I won't be your good thing no more  
For you no more
