

# George Thorogood & The Destroyers, If You Don

I'm tired of putting up  
With your sober ways  
Tired of looking at you  
Through an alcoholic haze  
You better change  
I'm begging you please  
'cause if you don't start drinkin'  
I'm gonna leave

I wake up in the morning  
I'm under the roof  
But I get no sympathy  
Baby you're too aloof  
You better change  
Yes, I'm begging you please  
'cause if you don't start drinkin'  
I'm gonna leave

Budweiser, Budweiser, Miller Lite  
Take a little nip baby it's alright  
All a fellow wants is company  
Come on baby have a taste with me

Yeah, you say it's alright baby  
You don't care  
But as soon as I indulge  
I get that icy stare  
You better change  
I'm begging you please  
'cause if you don't start drinkin'

I'm gonna leave

Don't give me no lectures  
'Bout stress and strife  
So-ber-i-ety  
Just ain't my way of life  
You better change  
Yes, I'm begging you please  
'cause if you don't start drinkin'  
I'm gonna leave

Yeah, Budweiser, Budweiser, Miller Lite  
Take a little nip baby it's alright  
All a fellow wants is company  
Come on baby have some fun with me

Yeah, you say it's alright baby  
You don't care  
But as soon as I indulge  
I get that icy stare  
You better change  
I'm begging you please  
'cause if you don't start drinkin'  
I'm gonna leave

Well, if you don't start drinkin'  
I'm gonna leave  
Yes, if you don't start drinkin'  
I'm gonna leave
