

# Gerald Levert, Application

When I didn't have money, I didn't have you  
I didn't have problems, this much is true  
It ain't working, all the lying  
And the cheating, it ain't cool  
But you used my credit cards  
So don't act brand new  
I'm sorry you gotta go  
So get to steppin' like Martin  
I hate it didn't work, but girl I'm through  
I'm looking

1 - □I'm looking for a new love  
I'm looking for some everlasting love  
I'm looking for some good love, ah ooh

2 - □So I'm sending out this application  
All across the nation  
So hurry up and sign up, sign up  
Right here

(On the dotted line, yeah)

I need a woman with a job  
I need a woman with her own crib  
I need a woman with a ride  
I need a woman with no kids

If you know what I'm talking about  
And feeling you're the one  
Then go on girl, go on girl  
Submit your application

I'm tired of the fussing and the fighting  
And the stressing

I didn't want to fire you  
But girl we're through  
Finished, it's the end  
You're terminated, oh

Repeat 1  
Repeat 2

I've been searching for (for my queen)  
A lady who can (fulfill my needs)  
Make love all through the night  
Cause if you can, then show you right  
Show you right  
Baby let me see your resume  
In order to see if you qualify  
Cause if you do, you'll live a life in luxury  
In love, in love, in love, in love, in love, oh

Repeat 1  
Repeat 2

Repeat 2 while:  
I need a woman with a job  
I need a woman with her own crib  
I need a woman with a ride  
I need a woman with no kids

Repeat 2 while:

Winter, spring, summer, fall  
Come one come all  
Come one come all  
Come one come all  
Come one come all, ooh
