

Gerald Levert, Closure

[Intro]

Hoo...ooh...babe

Baby

Hoo...hoo...ooh...

Oh, babe

Oh, babe

Oh, baby, baby, baby, baby

When did you stop lovin me

What did I do so wrong

That you had to leave

When did you stop wantin me

No letters, no call

Girl, you know Im needy

Baby, this thing has to get told

On my mind, my body, and soul, baby

Cant get you out of system

Out of my head

Out of my future

Out of my bed

I hear your name

I see your face

I lose all composure

I need to see you one more time

I need closure

Hoo...ooh... (Hoo, baby, baby)

Can we go somewhere, baby

And talk about

All the things I did to stress you out (Hoo...hoo...)

I wont be satisfied (No way)

Till I understand why

Why you aint here in my life

Can you just give me that much (Yeah)

Dont leave me hanging without a crutch

Cant get you out of system (Cant get you out)

Out of my head (Out of my head)

Out of my future (My future)

Out of my bed (My bed)

I hear your name (Hear your name)

I see your face (See your face, babe)

I lose all composure (Hoo, baby)

I need to see you one more time

I need closure (Ooh...closure)

Hoo...ooh...ooh...closure (Closure)

Hoo...ooh...

Why, that is the question

Every day I ask myself

Since you went away, baby (Hoo, baby)

I wasnt perfect (No way)

Tell me were you (Were you, babe)

You said everyday I love you (You said, you said)

Cant get you out of system (Ooh...hoo...)

Out of my head
Out of my future (No way)
Out of my bed (No way, baby)

I hear your name (I hear your name)
I see your face (I see your face, babe)
I lose all composure (I get all choked up inside)
I need to see you one more time
I need closure (Closure)

Hoo...ooh...ooh...closure (I need to know why did you
leave me, baby)
Hoo...ooh...ooh...closure (Why did you go away, baby)
Hoo...ooh...ooh...closure (Why did you pick up and
leave me)
I need to see you one more time (Na-na-na-na-na-na)
I need closure
