

# Gerald Levert, DJ Played Our Song

Are we gonna get it on get it on get it on  
Are we gonna get it on get it on get it on  
Are we gonna get it on get it on get it on

Girl it was a year ago, yeah  
Since we said it was over  
You are still looking good  
I figured I would see you and I knew that you would  
Wanna come here to dance, yeah  
Cause were at the reception of our two closes friends  
We were the ones who hooked them up  
Now their happily married ( happily married )  
and were all broken up ( all borken up )  
I see you standing there across the room  
And you look so good to me and baby I miss you ( it's come to this )

Now it's come to this ( Yeah )  
No hug and no kiss ( No )  
We both trying move on ( Trying move on yeah )  
But what if the DJ Plays Our Song  
Now it's come to this ( oh baby baby babe)  
I just reminisce ( ohhhh )  
Girl would it be wrong  
If we were to dance if they played our song (if they played our song)

Now your daddy keep telling me to talk to you  
but I dont know what to say or to do  
Girl I still love you think that you love me  
But my heart would be so broken if you were to reject me ( you were to reject me )  
The Dj said what was coming next  
The song that you and me both love to play  
I wonder what would make him play that one  
Come to find out later it was your request (it was your request )

I didnt want for this to be my last chance  
So tell me baby tell me  
Can I have this dance ( it's come to this)

Now it's come to this ( Yeah )  
No hug and no kiss ( You dont even greet me at the door baby no no no no)  
We both trying move on ( on on on )  
But what if the DJ Played Our Song ( what itf the DJ played, if the DJ played our favorite song  
Now it's come to this ( oh you dont want to kiss me baby  
I just reminisce ( You dont want to say hello you just want me to go  
Girl I want to go on9Girl would it be wrong )  
If we were to dance if they played our song ( lets dance can we dance I want to dance with you
