

Gerald Levert, Dream With No Love

I've been up, I've been down
Been through changes and turned around
Chasing my dreams I really need y'all (necessary)
Wanna come wanna go, it's just a house when your all alone
Did I get my wish?
Is this what will wished?
I don't want it then, tell me

What do you do with a dream and no love
It's lonely to bed lonely waking up
That's not enough
That's not what I want
What do you do
What do with a dream and no one to share it with (naw, naw)
It's lonely to bed lonely getting up
That's not enough (naw)
That's not what I want

See, see

My friends think I've changed but my heart and my soul is the same
They just can't see (naw)
I'm a man that's in need
Oh, I can't fake (fake)
And I can't front (front)
Really need me a woman to love
But she never come
Dreams unfulfilled with no love

What do you do?

What do with a dream and no love (with a dream, with a dream)
It's lonely to bed lonely waking up
And that's not enough, no baby that's not what I want

No, no, no, no, no

See I'm calling (I'm calling) for someone (for someone)
To fill my emptiness
Can you hear me (hear me)
Well I'm sending out an S.O.S.
I'm in distress (yes I am)

Now what do you do
What do you do with a dream and no love

It's lonely at the top when you ain't got nobody
Nobody to love (naw naw naw naw)
That's not what I want
That's not what I want
I betcha my family share my dream with me
Have a little wine with me
Picture that baby
I don't want to be alone (no no no no no no)
What do you want
What do you do with a dream, a dream and no love
It's lonely to bed, it's lonely when you wake up
No one to keep you warm...[fade]
