

Gerald Levert, Soul Mate

Oh Baby, Baby, Oh Oh Baby

When did you stop loving me
What did I do so wrong that you want to leave
When did you stop wanting me
No letters, no calls , girl you know I needed
Baby this thing has took its tole on my mind,
My Body, and soul

[Chorus]

Can't get you out of my system
Out of my head, out of my future, out of my bed
I hear your name, I see your face,
I lose all composure,
I need to see you one more time
I need closure.

Can we go somewhere baby
and talk about
all the things I did to stress you out.
I wont be satisfied
til I understand why
Why you aint here in my life
Can you just give me that much?
Dont leave me hanging without a crutch.

[Chorus]

Why - that is the question
Everyday, I ask myself, since you went away.
I wasn't perfect, tell me were you?
You said everyday "I Love You"

[Chorus]

Closure, Closure, Closure
I need to see you one more time
I need Closure
