

# Gerald Levert, Sweeter

Ooooo

I'm so proud  
To be loved by you  
To hold you  
To know you

Now I've longed to give all my love  
Believe me its easy  
When you came into my life I knew  
That I needed you around  
I wanted to settle down  
And give you all my time  
And i cant deny it  
You showed me what love is

(Chorus}  
And I consider myself the luckiest guy in the world  
To make you smile  
Does my heart proud  
For you I go out my way  
Adore you  
I spoil you  
Tomorrow I'm gonna be sweeter then I was today

Verse 2  
Every moment I spend with you  
I cherish never forget this  
You are my one  
You are my own babe  
And I got you  
Can't do nothin without you no  
And I'll go out my way and say  
That I'm gonna see it through  
No matter what we're goin through  
And you don't have to say a word  
They'll be no sorrow

Just wait til tomorrow

(Chorus)  
And I consider myself the luckiest guy in the world  
To make you smile  
Does my heart proud  
For you I go out my way  
Adore you
