-i just like it, let me have this dance,  
ya your jumping, had a crazy sound,  
an it'll start running, to look him down,  
sound so neat, just give me a chance,  
move out of my seat, just hear that dance,  
start pushin my feet, and clap your hands,

just dont like it, goin up and down,  
ya theres really somthing, with a crazy sound,  
and you'll start running now, to look him down,

about 12 o' clock, oh god im drunk,  
the place is sacked, it the front lot,  
but this night, i just dont like,

just dont like it, goin up and down,  
ya theres really somthing, with a crazy sound,  
and you'll start running now, to look him down,
