Gerry Rafferty, Found My Way To You

I was alone, I was so tired, down to my bones. And you know everything, Every little moment had lost its ring.

(chorus)

I found my way to you, you came right out of the blue, And that was all you had to do, and I knew. I couldn't get you out of my mind, you know I reached you just in time, I found my way to you, and it's true.

Rise up everyday It felt like you were a million miles away. And I lie down every night, I needed you beside me to make it right.

(chorus) (sax solo)

I found my way to you (Found my way to you), I found my way to you (Found my way to you), I found my way to you (Found my way to you), And it's true...

I found my way to you (Found my way to you), I found my way to you (Found my way to you), I found my way to you (Found my way to you), And it's true...
