

Gerry Rafferty, My Singing Bird

Sing your song to me, my singing bird
Let your voice ring loud and clear so you'll be heard
While you're here tonight, we'll be as one
For tomorrow you will seek the sun.

Sing your song to me, my singing bird
Let your voice ring loud and clear so you'll be heard
Just for the moment I'm asking you to stay
For tomorrow you'll be far away
For tomorrow you'll be far away.

Sing your song once more, my singing bird
Let your voice ring loud and clear so you'll be heard
While you're here tonight, we'll be as one
For tomorrow you will seek the sun
Yes tomorrow you will seek the sun.
