Gesaffelstein, So Bad (ft. HAIM)

Please don't be (so bad) I still feel (you there) Tears, they (fell so bad) How could I be so wrong? How could I be (so strong?) Nothing else compares How could I be so wrong? How could I be so strong?

I came to find death I stayed for life I came here foolish I left here wise I ',m waiting for something I can't deny a truth a sermon a sacrifice I wanna wake p and all is love forget the trouble I made up the waves are coming the shore these dreams of mine go on and on

how could I be so wrong? how could I be so wrong?

I came to find death I stayed for life I came here foolish I left here wise I ',m waiting for something I can't deny a truth a sermon a sacrifice I wanna wake p and all is love forget the trouble I made up the waves are coming the shore
