

Get Set Go, I Hate Everyone (Clean Version)

Some stupid chick in the checkout line
Was payin' for beers with nickels and dimes
And some old man who clipped coupons
And argued whenever they wouldn't take one
All I wanted to buy was some cigarettes
But I couldn't take it anymore so I left

I hate everyone
I hate everyone
I hate everyone
I hate everyone

All the people on the street
I hate you all
And the people that I meet
I hate you all
And the people that I know
I hate you all
And the people that I don't
I hate you all
Oh I hate you all

Some guy at work really ticked me off
By telling me that I was doing it wrong
I was the one who was doing the work
But the big stupid jerk
He drove me berserk
All I wanted to do was smoke a cigarette
But I couldn't take it anymore so I quit

I hate everyone
I hate everyone
I hate everyone
I hate everyone

All the people on the street
I hate you all
And the people that I meet
I hate you all
And the people that I know
I hate you all
And the people that I don't
I hate you all

I bet you think I'm kidding
But I promise you it's true
I hate most everybody
But most of all
I hate
Oh I hate you

All the people on the street
I hate you all
And the people that I meet
I hate you all
And the people that I know
I hate you all
And the people that I don't
I hate you all
Oh I hate you all
