

Get Smart!, That's What They Tell Me

Don't tell me tomorrow
Don't tell me maybe
Because you know I won't be happy
Till I get what I need

(repeat 1st verse)

Everyone's got lots of money
Everyone's got lots of love
Everyone's got a happy family
That's what they tell me
That's what they tell me

(repeat 2nd verse)

(repeat 1st verse)

(repeat 2nd verse)
