

# Get Smart!, That's What They Tell Me

Don't tell me tomorrow  
Don't tell me maybe  
Because you know I won't be happy  
Till I get what I need

(repeat 1st verse)

Everyone's got lots of money  
Everyone's got lots of love  
Everyone's got a happy family  
That's what they tell me  
That's what they tell me

(repeat 2nd verse)
