

Get Smart!, They Walk In Pairs

Sentinels guard
The enemy thoughts
And stare each other down
All is open
But nothing's revealed
They wait for each other
To open fire

Action
Action and reaction
They walk in pairs
Action
Action and reaction
They walk in pairs

Courage hides
And lies are heroes
Talk, no cares
They walk in pairs

Feelings flee
Discuss what remains
Talk, no cares
They walk in pairs

Action
Action and reaction
They walk in pairs
Action
Talk no cares
They walk in pairs
Action
Talk no cares
They walk in pairs
