Get Smart!, This Is Style

Starting out from a different point of view
I have got an image to undo
Expecting me for free and all the while
Expecting me to change my inner style

This Is Style (x3), don't change my... style

Starting out with a different set of rules
I've got this image to undo
Fashion comes and the masses thrive
Except this nonesense expected to survive

This Is Style (x3), don't change my... style

This is style, this is ...
This is style, I'll change my.. my own style
