Gewapend Beton, Once I Believed

Once I believed in peace and freedom But war is all I see Once I believed I wouldn't change society is changing me Once I believed in just one side One side of the story But now I know life ain't that easy Once I believed But today I don't believe no more Once I believed the world could change Now I know it won't Once I believed I knew it all But now I know i don't Once I believed in just one side one side of the story But now I know life ain't that easy
