

# Gewapend Beton, Ruining Punk Rock

Not in it for the music, not in it for punk rock  
Just going to the shows to fuck other people up  
Ruining the punk scene with your stupid pride  
Why don't you join the army if you just want to fight?  
Ruining punk rock  
you're so fucked up  
Ruining punk rock  
Your bullshit has to stop!  
Seein' red from the violence in your mind  
Your anger and hate makes you fuckin blind  
Always making problems, harassing the punks  
You only want to fight, you're just lowlife scum
