

Ghost Dance, The Love I Need

I dont want the world
You know thats not my style
I was born and raised a country girl
Not the queen of the Nile
I dont ask for much
No Im as good as gold
I dont need a love with a Midas touch
Just a hand to hold

The kind of love that Im looking for is priceless
Cant you see the love I need

Why promise me the earth
Thats not what I need
The simple things in life are worth much more to me
Just give me your word, say its mine to keep
Give me it all or nothing baby cant you see

The kind of love that Im thinking of
Knows no in-betweens
Cant you see the love I need

Well Ill spell it out, say it loud and clear
t.h.e.l.o.v.e.
you know I cant live without your love
without your loving to see me through
I dont know what I want sometimes
But I know nothing else will do

The kind of love that Im looking for is priceless
Cant you see the love I need

The kind of love that Im looking for is priceless
Cant you see the love I need

The kind of love that makes fools of kings
And brings nations to their knees
Thats the love I need

The love I need
The love I need

I dont know what I want sometimes
But I know nothing else will do
