Ghost Of The Robot, Goodnight Sweet Girl

Are we done for now? Or is this for good? Will there be something in time? With us there should Only girl for me is you There can be no other one If I didn't have faith I would come undone So much promise in your eyes Seems that I can only see It allways makes me wonder If you save it all for me

Maybe you do Maybe you don't Maybe you should Probably won't... Because there will be...

There will be other guys Who will whisper in your ear Say they'll take away your sadness And your fears They may be kind and true They may be good for you But they'll never care for you More than I do

I'll be always there There to the end I can't do much But be your one true friend To the end Through the end Our lives to spend With each other 'till the end Of time...

Still see the promise in your eyes And still wonder if it's for me But I know it's still there Even when you sleep

So I say Goodnight sweet girl
