

Ghost Of The Robot, Liar

I don't mean to sound mean
When I talk about the day
I believed every single word she said
But things change like she changed
Something's not the same
Found the things she said to you
Were never true
'Cause

She's a liar
Who won't expire
Fools with desire
Leaves you behind
She didn't break me
She said
Can't you see?
We could never be
Because you're crazy

Sure I'm crazy
Oh the crazy kid
That she would change forever
She would lie even if
The truth sounded better
Never tell someone you love them
But they love you 'cause
They will die when they hear
The truth

She's a liar
Who won't expire
Fools with desire
Leaves you behind
She's a liar
She's a liar
She's a liar
