(feat. Raekwon The Chef)

[Ghostface Killah]

(Yo, Oh, Yo Rae... I can't feel my face  
My heart pounding and shit (audible heart)  
Paranoid as a motherfucker right now, who the fuck?  
Close the blinds and shit! Who that? Captain Kirk?  
The stark...enterprise, enterprise I was on and some shit?  
..I need some pussy though I'm ready for a catwoman or something  
f-fuck it, lets go!

Aiyyo shareefa go to the store for me. I need some razors and a fresh box  
of baggies, the ones with the tint in them!

Aiyyo son turn that water down a little bit, just a little bit..Thank You  
I need two waters, a dutch, and a cranberry Snapple)

[Chorus]

All around the world today, the Kilo is the measure  
(Whoever got the kilos got the candy, man!)  
A kilo is a thousand grams, its easy to remember  
(You never catch the kid going hand to hand!)  
All around the world today, the Kilo is the measure  
(Once you got the funds you got the panties, man!)  
A Kilo is a thousand grams, its easy to remember  
(Throughout the 19 to 5 I'm the Handyman)

[Ghostface Killah]

Bricks, Tar caps, powder, cooked up crack  
Phones is tapped over franklin's stacks  
Kingpins put in bullpens, old connects get paro'  
Break out of town when the Jakes take down the Pharoah  
Reason, He was moving that peruvian white  
blowing coolies into hooties , slamming cuties and ice  
big heavy pots over hot stoves  
Mayonnaise jars of water with rocks in them got my whole projects out of order  
A Kilo is a thousand grams  
Beige, gold, brown, dirty, fluffy, tan, extract oil cut from cuban plants  
The chemist is brolic, pyrex scholars  
Professors at war over raw, killing partners for a million dollars

[Chorus]

[Raekwon the Chef]

Yeah  
Aiyyo peace to those cooking that raw, powder white  
Get your sniff on, scarface niggaz, we getting right  
some call it bricks, some call it birds  
how many niggaz get they lives token playing with shit, then catch a curb  
You would go to jail  
get caught with this, niggaz'll grow to fail  
Stop playing, pot slaying, baking soda and scales  
They lived like brothers, word life, connects discovered  
most niggaz get hard, from fucking with them pipes and hustlers  
Kilos is one thousand grams  
You know your ammo better be heavy 'cause soon kids is coming in camo  
Protect your land daddy, I'm an announcer  
you get caught with an ounce and its over  
matter 'fact they takin you down, son

[Chorus]

[Ghostface Killah]

Some say a drug dealers destiny is reachin the ki'  
I'd rather be the man behind the door, supplying the streets

A hundred birds go out, looking like textbooks  
when they wrapped and stuffed  
four days later straight cash, two million bucks  
strictly powder, no cut  
your coke is vialled in, whats up?  
Y'all beefin over little shit, we sniff, the balance split up  
In a plane or a penthouse, office or a warehouse  
Tony's got it nice, we never heard of any big droughts  
A Kilo is a thousand grams  
A pile of sand is equivilant, to the eye  
It's nice to have a thousand fans  
Coke buyers, some be liars  
therefore, you check for wires  
dedicated dealers, during holidays we give 'em lighters
