[Ghostface Killah]

Walter in Dr. Jay's - rock the Jay's
Spot niggaz with K's - son they feelin' your ways
It's like mayonaisse - old people love you - corns on their feet
Fifteen, twenty deep - you walked in, cross street
Walk under red light - sound went through Crown Heights
Even had 'em on bikes - they was startin' fights

Found a bump - tried to buck and
Scotty snatched Janet's wig off that night

Plus he fucked a whitey in the hill..
Throw a buck on Chuckle-Up - Thunderbird in cuffs
