

Ghoti Hook, I Love Rock N Roll

I saw her dancing there by the record machine
I knew she must have been about seventeen
The beat was going strong, playing my favorite song
I could tell it wouldn't be long 'till she was with me
Yeah me
I could tell it wouldn't be long 'till she was with me
Yeah me

CHORUS

Singing I love rock and roll
So put another dime in the jukebox baby
I love rock and roll
So come and take some time and dance with me

She smiled so I got up and asked for her name
But that don't matter she said cause it's all the same
She said; can I take ya home, where we can be alone
And next we're moving on, cause she was with me
Yeah me
Next we were moving on, cause she was with me
Yeah me

CHORUS

Singing I love rock and roll
So put another dime in the jukebox baby
I love rock and roll
So come and take some time and dance with me

She said can I take ya home where we can be alone
And next we're moving on, she was with me
Yeah me
And we were movin' on and singing that same old song
Yeah with me

CHORUS (5x)
