

# Giannis Kotsiras, Pass The Flame

Pass the Flame  
Unite the World  
Its time to celebrate let our voices be heard  
Pass the Flame  
Unite the world  
Bring us all together  
We can grow a forest  
On a dried up river bed  
We can build a mountain  
From a grain sand  
Reach out, hold out your hands(x2)  
Pass the Flame  
Unite the world  
Bring us all together  
Pass the Flame  
Unite the world  
Pass the Flame  
Unite the World (x5)
