

Giant Drag, My Dick Sux

Oh I felt
rushing to the kill
but only
I forgot one thing

I'll only lie
if I should die
don't make me try
it burns meaningless

oh I'm hot
bruised and sane with dirt
but you
drown me til I'm blue

my only lie
if I should die
don't make me cry
feeling meaningless

oh I feel for you
what I feel for you

I will run from you
and I will come for you

my only lie
if I should die
don't make me try
it burns meaningless

my love is meaningless
my life is meaningless
this all is meaningless
