

Giardini di Mir?, There's a place

We, we will fall in the shadow of our embrace
that is a cross,
it's full of fear, emptiness, and... love
we, we will fall in the shadow of motel light
that is a cross,
it's full of fear, emptiness, and... love

we can't divide
oh, why the story of two souls are floating in the mud

we, we will fall the treasure of our embrace
that is a cross,
it's full of fear, emptiness, and... love
we, we will try to find a way to shine on that cross on a hill of wasted love

there is a place for us
to discover a new way for dancing in the mud
there is a place for us
and every broken choice is dancing in the mud
