

# Gift Of Gab, Rat Race

Running, moving, stressing, fussing  
Cussing, drinking, smoking, killing  
Dying, stabbing, shooting, thinking  
Walking, pacing, running, falling

Yo, check it out, one time

All the bull stop's here, I'm the matador  
Here to introduce a new rap category  
Climb on top of my music, mine Matterhorn  
Rhyme for rhyme, you don't really wanna battle boy  
Just another clip added in my catalog  
Get your money young playa, I ain't mad at y'all  
Here to bring soul like stas-gladisol (?)  
Drop the fatter raw verbal mic analog  
Sorry y'all, but I didn't bring a Gatt along  
Just a pen that does tricks like a magic wand  
Get my cadence and a whole rap pattern on  
As the sky just falls over Babylon  
Travel on Pluto, Venus, Earth, Saturn on  
To the place many sane brains haven't gone  
When it come to this here  
'specially in this year  
Frankly I don't have it all

Running, moving, stressing, fussing  
Cussing, drinking, smoking, killing  
Dying, stabbing, shooting, thinking  
Walking, pacing, running, falling  
Striving, climbing, scratching, clawing  
Growing, knowing, guessing, acting  
Working, looking, peeking, seeking  
Peeking, counting, seeking, searching

It's the Gift of Gab's new rap seminar  
Male groupies please show me where the women are  
In a world full of shyst type criminals  
Make a LP filled like cinema  
Bring light like a rhyme prime minister  
Send ya up write it off on adrenaline  
On a scale of one to ten it's a ten and a  
Half, feel my wrath now, sucka nigga what?  
Used to puff on a daily pack of cigarettes  
Til I bought a pack of chewin gum, Nicorette  
Come to find that I had to get rid of that  
Now at shows I got more wind in the set  
Wrote a alcohol free song in the next  
Thirty days drunk again like hypocrites  
Dude, my ego isn't quite that deflated yet  
Signed a deal with a major haven't made it yet  
Got a past cable bill haven't paid it yet  
Crazy wit, now I love my life takin it  
Where it hasn't been taken yet  
Go against the grain of the rat race daily it's

Dying, stabbing, shooting, thinking  
Walking, pacing, running, falling
