

# Gigi D'Agostino, La Passion(Radio Cut)

Oh baby come to me,  
Now I can set you free,  
Be what you wanna be,  
Don't wanna be alone,  
I gotta be so strong,  
Don't wanna be alone,

Baby I love you so, I'll never let you go,  
I'm looking for your face, Waiting for warm embrace,  
I'm living in the space, I'm following your trace,  
Tell me what's going on, Tell me what's going on,  
I'm gonna make you queen, Girl have you ever seen,

Oh baby come to me, Baby just come to me,  
Don't break my heart tonight, Swinging my soul desire,  
Baby just come to me, Be what you want to be,  
Using your fantasy, I need your soul to see.

Baby just come to me,  
And everything you want  
On me won't be long, I can see your face too strong  
I sing, you want a thing, You rely on mine,  
Don't you ever satisfy my,  
soul in any, By my side,  
I'm not lying, I don't cry and  
Don't you go,

(Now we can do it right,  
Holding eachother tight,  
Now we can make it right,  
I promise you delight,  
Waiting until daylight,  
I've gotta have the key,  
Open your heart to me,  
Now I can set you free,  
Be what you want to be,  
Don't wanna be alone,  
I gotta be so strong,  
Don't wanna be alone)

Baby I love you so, and never let you go,  
I'm looking for your face, Waiting for warm embrace,  
I'm kneeling in the space, I'm following your trace,  
Tell me what's going on, Tell me what's going on,  
I'm gonna make you queen, Girl have you ever seen,

Oh baby come to me, Baby just come to me,  
Don't break my heart tonight, Swinging my soul desire,

Baby just come to me,  
And everything you want,  
On me won't be long, I can see your face too strong,  
I sing you want a thing, You rely on mine,  
Don't you ever satisfy my  
Soul in any, By my side,

Don't you go,
