

# Gigi D'Agostino, The Devil In Love With An Angel

You were my everything  
all i ever looked at was your smile  
you brought joy to the world  
you were an angel, my angel  
what was I to love you  
who was i to hold you

i burn in hell  
seeing you  
i fly in heaven  
holding your hands  
i am like a devil to you

how can a devil  
ever fall in love  
with a beautiful angel

hearing your voice  
is like listening to millions of songz meddle in a medly  
i love you so  
your love is stronger than my entire soul  
i.  
love.  
you.  
soooooooooo
