

Gigi Dagostino, You Spin Me Round (Like A Record)

You spin me right round, baby
right round like a record, baby
Right round round round
You spin me right round, baby
Right round like a record, baby
Right round round round
Yeah I, I got to know your name
Well and I, could trace your private number baby
All I know is that to me
You look like you're lots of fun
Open up your lovin' arms
I want some
Well I...I set my sights on you
(and no one else will do)
And I, I've got to have my way now, baby
All I know is that to me
You look like you're havin' fun
Open up your lovin' arms
Watch out, here I come
You spin me right round, baby
right round like a record, baby
Right round round round
You spin me right round, baby
Right round like a record, baby
Right round round round
...
round like a record, baby Right round round round
just a little bit closer
I got be your friend
I, I got be your friend now, baby
And I would like to move in
Just a little bit closer
All I know is that to me
You look like you're lots of fun
Open up your lovin' arms
Watch out, here I come
You spin me right round, baby
right round like a record, baby
Right round round round
You spin me right round, baby
Right round like a record, baby
Right round round round
