

# Gil, I Can See It In Your Eyes

I can see it in your eyes  
And it makes me realize  
That I love you  
I can see it in your eyes  
It makes me realize  
That I love you, I really love you  
I can see it in your eyes  
Girl it's no surprise  
That I love you, I really love you  
I can see it in your eyes  
Girl it's no surprise  
That I love you, I really love you  
Don't you know the truth is in your heart  
There's no reason to run and to hide  
We held hands through an endless night  
You took me on a 3-D flight  
I can see it in your eyes  
It makes me realize  
That I love you, I really love you  
I can see it in your eyes  
Girl it's no surprise  
That I love you, I really love you  
I can see it in your eyes  
Girl it's no surprise  
That I love you, I really love you  
I'm feeling free / You mean so much to me  
Where you are's where I wanna be  
So let our dreams fly away from now  
Come with me, I'll show you how  
I can see it in your eyes  
It makes me realize  
That I love you, I really love you  
I can see it in your eyes  
Girl it's no surprise  
That I love you, I really love you  
I can see it in your eyes  
Girl it's no surprise  
That I love you, I really love you
