Gil, If You Only Knew (Gil Feat. The Moffatts)

I'd give you everything, anything
If you'd be mine
I'd give the starts above, an' all my love
How can you be so blind, so blind
I'm going out of my mind
All the time for you, yes it's true
If you only knew that I'm crazy for you
Then you'd understand
If I only knew what you're going through
Then I'd understand
Now I know that I have no chance
Oh, to make you mine
But if I owned the world, you would be my girl
How can you be so blind, so blind
I'm going out of my mind
All the time for you, yes it's true
If you only knew that I'm crazy for you
Then you'd understand
If I only knew what you're going through
Then I'd understand
How can you be so blind, so blind
I'm going out of my mind all the time for you
Yes it's true...
If you only knew that I'm crazy for you
Then you'd understand
If I only knew what you're going through
Then I'd understand
