

Gil, Out Of My Bed (Still In My Head)

I was doing fine all by myself
Never really needed someone else
Living like a feather in the wind
til you came along.
Shining like diamond in the dirt
Never thought that you could make me hurt
In between the words I read a sign,
your place or mine.
Lost myself
Inside of you
Rocked me all night through
Out of my bed but your still in my head
I want you to know I won't let you go
Out of my mind cause we're two of a kind
and I need you so I won't let you go
Why did we give all for just one night
I feel you everywhere, still out of sight
Am I just a fool to wish for more
than I bargained for.
It's how it goes
you never know
what you got til it's gone
Out of my bed but your still in my head
I want you to know I won't let you go
Out of my mind cause we're two of a kind
and I need you so I won't let you go
You opened my eyes,
opened my heart
You came and made everything right from the start
How will I find my way back to you
Cause I won't let you go
Out of my bed but your still in my head
I want you to know I won't let you go
Out of my mind cause we're two of a kind
and I need you so I won't let you go
