

# Gil, Stop

I can't forget the day you came  
And knocked it on my door baby  
Everything you said to me  
I was a fool too blind to see  
I never knew a love so true  
Could feel so unreal

[Chorus]

Stop!

I don't want you to go  
I just want you to know  
That ain't gonna be here forever

Stop!

Cause I know that you're wrong  
So listen to what I say  
Before you walk away

There are some things you need to know

I give you my love, my heart and soul

I wish that we could make it right

Cause all I want is to hold you tight

I never knew a love so true

Could feel so unreal

[Chorus]

Why don't we give our love a try

I don't wanna hear you say goodbye

[Chorus] x 3
