Gil, Stop Lying

I can't give you any more
You already got it
I wish it could be like before
Like the day we've started
It seems we've found an end
Our love is dying
Nothing more to pretend
Now I don't care if you are crying

I lost reality
Gravity wasn't meant for me
I want you to know

Chorus:
Stop lying to me baby, I can't take no more
Stop lying to me baby, it's the end of the show
Stop lying to me baby, I can't take no more
Stop lying to me baby, It's the end of the show
It's the end of the show!

You pulled my insides out
Feeling so damn lost
If this is what it's all about
You'll pay the cost
I'm sitting all alone at home
Trying to forget you
But what the f**k took me so long
To know that I can't respect you?

I lost reality
Gravity wasn't meant for me
I want you to know

Chorus (repeat)
