

Gil, Talk To You

I just wanna talk to you
Where are my friends tonight, I'm feeling so blue
Tonight, tonight, tonight, tonight
In times of trouble please don't close the door
To give us power, that's what friends are for
Keep on running through the darkest night without fear
I wanna talk to you with no pretends
My silence is my only selfdefence
We've got to know that there is so many ways to be free
And I just wanna talk to you
Where are my friends tonight, I'm feeling so blue
Wanna talk, just talk to you
I'm waiting for a sigh, what else can I do
Tonight, tonight, tonight, tonight
I wanna tell you how I feel inside
I wanna guide you, there's no need to hide
Heaven show you, there's a way for you and for me
And when we're strong enough to feel the same
No one can stop me, just call out my name
Please believe me, I'll be right there to set you free
And I just wanna talk to you
Where are my friends tonight, I'm feeling so blue
Wanna talk, just talk to you
I'm waiting for a sigh, what else can I do
Wanna talk, talk to you
Where are my friends tonight, I'm feeling so blue
Wanna talk, just talk to you
I'm waiting for a sigh, what else can I do
Tonight, tonight, tonight, tonight
